

# Pets in Peace

*Because the bond  
never fades*

## *Instructions*

1. Feel free to print this pet memorial template prior to the show; in the blank space you are welcome to stick your own photo of your pet that has gone across the rainbow bridge; write your beloved pet's name in the pet tag below (circle); and bring along to The Pet Show and place on the Pets in Peace Memorial Wall.
2. Spare templates will also be available at the Pets in Peace Memorial Wall so that you can write some loving words/draw your pet if you prefer to do this at the show.
3. Alternatively, just bring a pet photo if you prefer to place up on the Pets in Peace Memorial Wall.
